## AVEC MastVoice

**Mast Deployment Annunciator**

- **MastVoice** increases safety awareness
- **MastVoice** demonstrates the station's effort to address safety issues
- **MastVoice** provides aural reminders of proper mast deployment techniques and the consequences of improper mast deployment
- **MastVoice** is inexpensive, field retrofittable and can be installed by the station's own engineering department
- **MastVoice** comes with internal and external speaker capability
- **MastVoice** is equipped with an engineering test switch
- **MastVoice** is triggered by a GPI from your trucks mast activation system
- **MastVoice** repeats the warning messages until deployment is complete
- **MastVoice** can be provided with custom announcements
